

BIG PUFF

DESIGN – Anna Siedlecka & Radek Achramowicz

DESCRIPTION – Hanging lamp available in two heights and in two options – for indoor or for outdoor use. Big flexible, air-filled lampshade is made of warm-white thermo-plastic polyurethane (TPU). Matt surface finish. The air is the main material, which the lamp is built of, that's why despite its size the lamp is very lightweight. Black plastic canopy, socket and internal acrylic structure, black electrical cable regulated in length. The lamp is delivered deflated to be air-filled by a customer.

Lamp available in two options: indoor or outdoor.
